Time Scramble
An Example of Temporal Language

Go inside and try in vain to have the same problem.

It was a terrible problem, wasn't it?

You want to make changes haven't you?...

What would it be like when you have made those changes, now?

In the future as you look back and see what it was like to have had that problem... as you think about it now, if you could make this change for yourself so that you could STOP... having made that change and see yourself now.

Do you like the way you look if you could make that change and look back at yourself having made that change now!
